Annex

(Product Description)

Product Name (Device)	Product Code (KMAT)*	Product Specification Code**
Nitrile Examination Gloves, Powder Free, Polymer Coated, Non-Sterile, EU Spec, Medical Grade	DNCFEAE (With Color)	NCCAEF-E-EU-M-NS

Product Code (KMAT) means the specific code to identify the collective product design as a general code within the NC01 group. This Product Code (KMAT) is used to communicate in terms of contracts, general information, reports and sales.*

*Product Specification Code** means the glove specification code for individual products uses along with Product Code (KMAT). This Product Specification Code is also used to communicate in term of contracts, approbations and sales. With these detailed codes, it is possible to trace back individual designs and their specifications as agreed with the purchasing party.*
